

May 26

Dear Helen & Elmer,

Today is the first day it  
hasn't rained this week! It's  
clear, sunny - and chilly:

about 45° F this a.m. So we  
were fortunate in our weather  
last week when you were here.

We really enjoyed having  
you! Thank you so much,

Helen, for washing dishes, &  
all your help.

Elmer, I found your raincoat  
and the hall closet so will put  
it in the mail today.

See you both in August.

Love,  
Pete
